Note: dates given are covering dates only and do not necessarily imply complete runs

**AH/CAT Catalogues, from 1881**

### **AH/AF Charters and deeds, 1235 - 1758**

These documents have been left in the original order in which they were listed and numbered by Birch in 1881 (AH/CAT/1); those transferred to the archives were calendared more fully. The sub-numbers have been retained to save confusion, so references now read AH/AF/1 rather than AH/1. Accounts etc. included in the list have been entered under Finance (AH/F) in italics.
